A FRIENDLY + CONFIDENTIAL SERVICE

What is The Clinic?

It is a free, confidential service for age 16+ males and females, which provides family planning and sexually transmitted infection testing. Any personal information you provide cannot be accessed by any healthcare professional except clinic staff and will be held in the strictest confidence.

What are the opening times?

Newtownabbey - Monday mornings
Trostan Avenue - Thursday mornings
Drop in from 9.30am - 1pm

How do I make an appointment?

Please call: 028 2565 5615

Please text: theclinic to 88020

Newtownabbey

Report to the Clinic receptionist.

Trostan Avenue

Go straight to the Pastoral Care Centre and report to the Clinic receptionist.

The Clinic receptionist will ask you to fill out a registration form. Remember to give a current mobile number as we may need to contact you.

What if I need any treatment?

- If treatment is required is required this will be given to you during your appointment at no cost.
- The (non judgmental) staff are professionally trained in all sexual health problems.
- Information will not be passed to your Doctor unless your permission is given.

Who will I see when I attend The Clinic?
The person you will see is:

Dr Tara Farrington
028 2565 5615
