

Ulster Engineering Ltd T/a Ulster Shredders based just outside Toomebridge through continued expansion, require ambitious individuals to join our manufacturing team.

We require personnel who are capable of working in a team based environment in the manufacture of industrial shredders.

**Job Title:**                    **Apprentice Assembly Fitter**  
**Reporting to:**                **Production Manager**

**Main purpose of job:** The work at Ulster Shredders is extremely varied. It can involve prototyping, assembly and modifications through to maintenance of in service equipment. You will work as part of a varied multidisciplinary team, where you will develop invaluable skills. We pride ourselves in high quality solutions that meet or exceed the customer's needs.

Once you have completed your apprenticeship a skilled Assembly Fitter is expected to be able to:

- Understand the process of building a shredder and be competent in assembling the subcomponents.
- Integrate and install common items of equipment.
- Work on a variety of different products
- Read and interpret approved engineering data.
- Perform modifications to equipment or parts.
- Perform maintenance to equipment, including refurbishment of shredders.
- Meet the high standards of quality.

### **Benefits**

- 4 day working week 7.30am- 5.30pm Monday- Thursday.
- Overtime paid at 1.5 after 38 hours worked- 1 hour paid additional for good timekeeping.
- 29 days holiday per annum- 20 fixed & 9 floating.
- Enrolment in company healthcare plan.
