

# Mercedes-Benz Commercial Vehicle Apprenticeship Programme

MBNI Truck & Van is the only Mercedes-Benz Commercial Vehicle Franchise and leading supplier of Commercial Vehicle solutions in Northern Ireland. We are currently recruiting for our Apprenticeship Programme and have placements available for Commercial Vehicle Technicians within our Mallusk and Dungannon Depots.

We are partnering with Transport Training Services NI, Northern Regional College and Southwest College Dungannon campus, for an intake of Commercial Vehicle Technicians and Parts Advisors.

You will be on one of the following apprenticeship pathways:

- Diploma in Vehicle Maintenance (Level 2 & Level 3)
- Vehicle Parts related course

You will join an experienced team within a world-class brand and will work alongside highly skilled technicians. Mercedes-Benz Truck and Van NI will support you through your training with extensive on the job development, eLearning modules and Virtual Classrooms.

## Essential Skills:

- Enthusiastic and keen to learn
- Reliable with excellent timekeeping and attendance record
- Have a flair for trouble shooting on vehicles
- Good numeracy and literacy skills
- Ability to communicate effectively within the business
- Good team working ability

For this year's intake, we aim for approximately 6-8 apprentices to join our teams:

- 2 within our Dungannon branch
- 6 for our Mallusk dealership

This is an apprenticeship scheme and therefore you need to be a participant of an eligible apprenticeship programme.

To be considered, applicants in the first instance, should contact:

**Sean McAleese, Northern Regional College on 07554118467 or email [sean.mcaleese@nrc.ac.uk](mailto:sean.mcaleese@nrc.ac.uk)**

**MBNI is an equal opportunities employer**
