

KYOCERA AVX TECHNICIAN APPRENTICESHIPS (MECHANICAL & ELECTRONIC)

KYOCERA AVX is a global business, and a leading supplier of electronic components to a worldwide customer base. In our manufacturing facility in Coleraine we specialise in the manufacture of ceramic capacitors for the automotive and space sectors and our reputation is built on the quality of our product and service.

Our people are at the heart of our facility and we offer a range of benefits and work life balance. Working as a team we value different perspectives and have a drive to accomplish great things.

We currently have a number of apprenticeship opportunities within our Maintenance department :

Mechanical Technician Apprentice (C16023H)

Electronic Technician Apprentice (C17023H)

As an Apprentice Technician you will develop your skills and gain valuable experience from a well-established multi-skilled team in a high-tech environment. You will be trained extensively within your chosen discipline and will complete a structured development programme leading to an NVQ Level 3 or higher and up to a BTEC Level 3 or higher. This programme will begin in September 2023 and will involve attending college 1 or 2 days per week during term time.

Essential Criteria

Applicants must have obtained or be expecting to achieve by August 2023 at least 5 GCSEs at Grade C or above including Maths and English and at least one science related subject, or equivalent

Desirable Criteria

BTEC Level 3 or equivalent in an engineering discipline

Applicants must also:

- Be prepared to join the Apprenticeships NI in conjunction with NRC to study relevant BTEC and NVQ Level
- Possess a practical aptitude
- Be self-motivated
- Possess strong communication skills
- Have good organisation skills

All short listed candidates will be required to undertake pre-selection aptitude tests in numeracy and literacy, prior to selection for interview.

If you would like to discuss this opportunity further call us on 028 70340449 or to request an application pack please email coleraine.recruitment@avx.com outlining you preferred discipline.

Closing date for receipt of completed application forms is 9th June 2023
