Welcome aboard the eduroam® user community!

Your download will start shortly. In case of problems with the automatic download please use this [direct link](#).

Dear user from Northern Regional College,

we would like to warmly welcome you among the several million users of eduroam®! From now on, you will be able to use internet access resources on thousands of universities, research centres and other places all over the globe. All of this completely free of charge!

Now that you have downloaded and installed a client configurator, all you need to do is find an eduroam® hotspot in your vicinity and enter your user credentials (this is our fancy name for 'username and password' or 'personal certificate') - and be online!

Should you have any problems using this service, please always contact the helpdesk of Northern Regional College. They will diagnose the problem and help you out. You can reach them via the means shown above.
